I just woke up from a dream Where you and I had to say good-
bye And I don't know what it all means But since I survived, I re-a-
lized Wherever you go, that's where I'll fol - low No-body's promised to -
mor - row So I' a love you every night like it's the last night Like it's the
last night If the world was end - ing, I'd wanna be next to you
If the par - ty was o - ver and our time on Earth was through
I'd wanna hold you just for a while And die with a
smile If the world was end - ing, I'd wanna be next to you
